Many of our colleagues started arriving from 8.30 am onwards. Assembled in the Alumni Centre Hall GF -- Greetings between members and their families.

All were excited -but the ageing effect noticed in the movements of all.-- and gossip etc went on till about noon. All were served hot Breakfast on arrival.

There were two pleasant surprises - (1) arrival of V Sundaram, who had undergone Stent procedure on 25 Dec 2012 in USA - then flew to India, re-couped, acclimated, and merrily joined our Meet. (2) arrival of N S Srinivasan (ex NATPAC and our expert on Highways / Flyovers) , who sustained a fracture on his right leg a few weeks ago - despite the discomfort, and swelling in the leg, he cheerfully graced the occasion.

Then all assembled for the Photo Session

The Meeting commenced after Group Photo.

Col Narasimhan conducted the proceedings

1. 2 minutes' silence was observed for two sad demises that took place during this year, since last Meet - Mrs Krishna Vittal and Mrs Indirabai Damodara Rao.

2. Our Rajamani , in his inimitable style, started singing - SINGAMASAI PARUPPU MESSAY of Guindy 55 - when all joined enjoyed the chorus

3 After a short discussion , it was agreed that the next Meet be held at the same venue, Alumni Block on Thursday , 6 Feb 2014.

4 When K V Pathy indicated keenness of some members in donating funds for the 2015 Meet (Diamond Jubilee Meet) - it led to a lengthy discussion. Pros and cons were

considered. It was then decided that this subject will be discussed at the next Meet in detail.

A sumptuous lunch was arranged by Mr Swaminathan. After lunch , the Meet came to an end.
