Dear Sir,

Sub : Sponsorship for publishing a book on the history of CEG - reg

I am pleased to inform you that CEG Tech Forum, the official technical organisation of CEG, is planning to publish a **book on the history of CEG titled 'CEG: A Journey Through Time'** that will be released during April 2014. The book will cover all the major events relating to the college since its inception in 1794 and will be instrumental in establishing CEG as a brand and also in strengthening its alumni network.

The Alumni Association of CEG has always promoted promising initiatives in the campus of the college. Taking into account the huge cost involved in bringing out the book, the Student Directors of CEG Tech Forum would be glad if the alumni of CEG could contribute financially to this initiative.

On behalf of the students, I request you to post this information on the website of Alumni Association College of Engineering Guindy, Anna University.

Thanking You

Yours sincerely

(DR.C.CHELLAPPAN)

THE DEAN
COLLEGE OF ENGINEERING GUINDY
