

## CEG ECE Student Critically Injured in Road Accident

### An Appeal For Help

Our student K.Shanmugavelu (2011105578), a third year ECE met with a road accident on 14.08.2013. The accident took place right outside the Kotturpuram gate of the campus. On this fateful day, Shanmugavelu a bright student of our, was coming to the campus on his two wheeler to take part in a meeting of volunteers of Kurukshetra 2013.

Shanmugavelu has since been in a state coma for the last 40 days, and had to be in the ICU of Appollo Hospitals for most of the time. Due to this, his present medical expenses alone are running in excess of Rs. 20.0Lakhs. His father (Mr.Kumaravelu) (who was also an 1984 batch alumnus of the ECE Dept. of CEG), cannot afford to such high medical expenses at this stage.

We appeal to the all the alumni and well wishers of Shanmugavelu to contribute whatever they can to ease the financial burden on Shanmugavelu's parents.

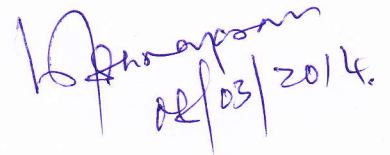

In this regard, whoever wishes to contribute are requested to send their contribution to:
