**GEASON 63 – ANNUAL DAY
CELEBRATIONS**

The 1963 batch of College of Engineering, Guindy (GEASON 1963) celebrated their Annual Day on January 8, 2011 at the Alumni Centre. Forty members attended the celebrations and the total attendance was about sixty. Suresh conducted the proceedings as an 'unconference' and all the classmates were encouraged to speak about their experiences during college days.

Nivedita, grand daughter of Arasu, gave a delightful Bharatanatyam recital. In view of the impending Golden Jubilee in 2013, it was decided to take up some socially relevant projects to help the needy and to give something back to society. Four projects were proposed - one for creating an institution for imparting technical, soft skills and career guidance to technical and school leaving students, one for creation of a lake for irrigation and groundwater augmentation, one for collecting and contributing funds towards the college project of Sarada Ashram, Ulundurpet and one for helping school finishing students to get into the Banking habit in view of their future Educational Loan requirements.

There were some party games and prizes were given to the winners. All the ladies attending were presented with mementos. There was a sumptuous lunch put together by our canteen contractor.

The next day, 9th January, 2011, some of the members and their families spent a pleasant day out at the Blue Lagoon Resort at Neelankarai.

**COLLEGE OF ENGINEERING GUINDY
GLOBAL ALUMNI MEET**

The Global Meet is proposed to be held on Sunday, July 3, 2011 at College of Engineering, Guindy. It will be a full day program. Steps are being initiated to enable Alumni from different countries of the world can participate in the Meet.

During the Meet, the Alumni will interact among themselves regarding creating a global organization for CEG Alumni Association, evolving procedures for communication and collaboration between different chapters, establishing platforms for active interaction between alumni, faculty and students for taking up meaningful projects and Joint business ventures and knowledge sharing activities.

There will be four panel discussion sessions to channelize the dialogue between Alumni, as follows: Leveraging Alumni Connections for Institutional Benefit, Creating Governance Structure for Regional Chapters for AACEG, Enhancing Professional and Business Networking of Alumni, Business Incubation and Funding for Start-Up Business by CEG Students.

Full details of the program are available at Alumni Association web site, www.cegalumni.org. For further clarifications Alumni can contact A.J. Balasubramanian, Email: ajbala@gmail.com Phone: +91 9282441671.

**BEST WISHES FOR A
BRIGHT PROSPEROUS
SRI KARA**

AACEG WEBSITE

The web site of Alumni Association, College of Engineering is now operational. The address of the website is www.cegalumni.org.

The available profiles of members have been uploaded at the website. However a significant number of fifteen thousand addresses available are likely to be in need of updating since the applications were filed some years ago. Members are requested to update their profile available at the web site. E Mail IDs have to be necessarily filled in since it was not an item in the application form.

New members can also register themselves at the web site.

Full details of College of Engineering Guindy Global Meet are also available at the website.

The different batches which plan to celebrate their golden jubilee /silver jubilee reunions can give wide publicity to the event through the web site. Similarly any activity pertaining to CEG Alumni can be published at the web site.

There are likely to be initial teething troubles. Alumni are encouraged to offer their suggestions and criticisms.

The user friendly process to add new profiles of Alumni members and to update existing profiles of members is expected to increase substantially the number of available Alumni profiles.

GRANT FOR PAPER PRESENTATION AT USA

The Executive Committee approved a grant of Rs. 10000/- to Ms. Savitha, sixth semester student of CEG towards her travel expenses to present her technical paper at a conference in USA

ALUMNI DAY CELEBRATIONS

Four hundred persons comprising of Alumni and their guests attended the Alumni Day Celebrations at Vivekananda Auditorium, CEG on March 20, 2011. The function started with Registration followed by keenly participated games organized by Saravanan and his volunteers. After High Tea the guests assembled at the Auditorium.

Er. Reghu Raj, Managing Director, Nettur Technical Training Foundation, Bengaluru was the Chief Guest. He delivered the Alumni Day Address and distributed the awards. Seventy three Endowment awards were presented to meritorious students for academic and athletic excellence during their studies at CEG.

Distinguished Alumni Awards were presented to four eminent Alumni for their contributions in different fields as follows:

A. Mohanakrishnan – Water Resources
M. Anandkrishnan - Technical Education

R.T. Chari - First Generation Entrepreneur

N. Kumar - Industrialist

The Awardees responded suitably.

Fourteen alumni who have celebrated their eightieth birthday were also felicitated on this occasion.

The function concluded with a delectable dinner
